Dear Mr. Woods:

This letter is in reply to the Notice of Abandonment dated January 8, 2004. The above-identified application became abandoned for failure to file a timely and proper reply to a Notice of Allowance dated August 23, 2003. Applicant hereby petitions for revival of this application.

**CERTIFICATE OF TRANSMISSION**

I do certify that this correspondence, along with the Issue Fee Transmittal, a Deposit Account Statement, a Acknowledgement Post Card, and two FAX receipts are being facsimile transmitted to the United States Patent and Trademark Office, FAX No. (703) 872-9306 on May 7, 2004.

Sale Ref: 0000007 DAH: 193875 09454566

Richard A. Baker, Jr.

Please charge the Petition Fee for Petition (37 CFR 1.17(m)), in the amount of \$1,330.00 and the Issue Fee of \$1,330 (for a total amount of \$2660) to the Deposit Account 19-3875 (SAA-25). The Director is hereby authorized to charge any additional fees that may be required, or credit any overpayment to this Deposit Account.

Since this utility patent application was filed after June 8, 1995, no terminal disclaimer is required.

The entire delay in filing the required reply to the Notice of Allowance until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. On November 20, 2003 Karen Pyka mailed the Fee Transmittal on the present application to the US Patent and Trademark Office, charging the Issue Fee to Deposit Account 19-3875, as evidenced by the attached Fee Transmittal form. On that date, the Deposit Account had sufficient funds to cover the issue fee, as seen in the attached Deposit Account Statement. The USPTO received the Fee transmittal on November 24th, as seen in the attached Acknowledgement Post Card. However, the Deposit Account balance fell below the amount need to cover the Issue Fee on November 24th and was not replenished for several days, as seen in the attached Deposit Account Statement. As a result, the present application became unintentionally abandoned.

Since the time that we received the Notice of Abandonment, we have diligently attempted to revive this application, as evidenced in the two FAX receipts of Petitions for Revival under 37 CFR 1.137(a). These petitions were sent without knowledge of the deficiency of the Deposit Account as described above.

**PATENT**  
**09/454,566**

Applicants request that the USPTO grant this petition and allow the present application to issue as a US Patent.

Respectfully submitted,

By:

**OFFICE OF PETITIONS**

Sir:

The following is further in response to a Decision on Petition mailed 28 July 2004.

In the above case a Notice of Abandonment was received on Jan. 8, 2004, for failure to file a timely and proper response to a Notice of Allowance dated August 23, 2003. A response to the Notice of Allowance was filed, but there was not enough money in the deposit account to cover the fees due.

A petition to revive under 37 CFR 1.137(a) was filed via facsimile January 29, 2004. This petition was filed without knowledge of the deficiency in the deposit account. The petition was dismissed in a Decision on Petition mailed 28 July 2004.

**CERTIFICATE OF MAILING/TRANSMISSION (37 C.F.R. § 1.8(a))**

I hereby certify that this correspondence is, on the date shown below, being:

**MAILING**

Deposited with the United States Postal Service with sufficient postage as first class Mail in an envelope addressed to the Commissioner for Patents, PO Box 1450, Alexandria, VA 22313-1450.

**FACSIMILE**

Transmitted by facsimile to the U.S. Patent and Trademark Office.

  
Signature  
Mrs. Cathy Sturmer  
(type or print name of person certifying)

Date: 8.25.04

(The petition mailed January 29, 2004, was refaxed on March 24, 2004, because of not having received an answer to the petition filed by facsimile on January 29, 2004.)

Another petition was filed on May 7, 2004, after discovering that the deficiency in the deposit account was the reason the Notice of Abandonment was mailed. This other petition has yet to be acted on, and applicant requests here that the other petition--filed May 7, 2004--be considered to be in response to the Decision on Petition mailed 28 July 2004.

Applicant has now discovered another reference that applicant would like to have considered before the case issues, assuming the decision on the petition filed May 7, 2004, is favorable. For the reference to be considered, the case must be withdrawn from issue.

Per a phone conversation with Mr. Derek Woods, we are enclosing a copy of the petition filed May 7, 2004 (Attachment A), a copy of a power of attorney appointing the undersigned as an associate attorney in this matter (Attachment B), and a petition to withdraw from issue (Attachment C) in order to consider further references provided by in an Information Disclosure Statement, also enclosed (Attachment D), and a corresponding request for continued examination (Attachment E), as well as all fees for same except for the issue fee, which is to be paid out of the deposit account indicated in the petition of May 7, 2004.

\*\*\*If any fee and/or extension is required in addition to any enclosed herewith, please charge Account No. 23-0442. (In particular, if there is any deficiency in the deposit account indicated in the May 7, 2004, petition, please charge the issue fee and any other fees indicated to be charged to that account instead to Account No. 23-0442.)

Respectfully submitted,
